Estimate Details

In-Wall Electric Heaters and New Thermostats: Remove all the old existing baseboard heaters.
Supply and install 6 new in-wall electric wall heaters.
Supply and install 5 new standard dial thermostats.

Service #	Description	Quantity	Your Price	Your Total
T700450-1	Cadet Com-Pac 240v. Com-Pac Warm up in a hurry with a fast-heating coil element Spread the warmth all around with an efficient, quiet fan Rest easy-includes high-temperature safety shutoff feature Enjoy trouble-free use, thanks to a durable, reliable design No sharp edges, so kids and pets stay safe Install in any room, thanks to a compact design and horizontal or vertical mounting options Ceiling installation is possible with models that are 1,500 watts or less Available with or without a built-in adjustable thermostat Proudly made in the USA 2-year warranty ETL listed to UL standards	6.00	$625.65	$3,753.90
T700264-1	Standard Dial Thermostat Good solution for a failing baseboard thermostat replacement. With convenient low to high control knob. Designed to match existing system.	5.00	$65.40	$327.00
T700615 (1)	Exclude Drywall Repair All necessary drywall repair and paint repair or cost are excluded from the scope of SeaTown. You are responsible for finding someone to do the repairs and cover the cost to do so.	1.00	$0.00	$0.00
EXPARTIAL	For any homes that aren't being complete rewired by SeaTown there may end up being additional work needed to complete. Which is why a full rewire is always recommended and our preferred way of making your electrical system safe. Due to the nature of the homes that have knob and tube wiring and how its been added or worked on over the years there can be splices, connections or illegal wiring techniques in the wall. These can't always be seen or found until work starts and more of the electrical system can be safely disconnected or taken apart. Anything that isn't listed on the quote that in the end needs to be rewired to be able to disconnect all the knob and tube that will be quoted separate and considered a change order.	1.00	$0.00	$0.00

Sub-Total	$4,080.90
Tax	$428.49
Total	$4,509.39
Est. Financing	$48.43

By signing the below, I understand and agree that I am providing my written consent to this Customer Authorization and the Terms and

Conditions, and I agree to conduct transactions with and receive communications from Seatown Electric Plumbing Heating and Air electronically. By signing the below and agreeing to receive this document, you consent to receive text and voice messages (e.g. reminders, updates, and marketing) from Seatown Electric Plumbing Heating and Air at the number provided, including text and voice messages sent by an auto-dialer on behalf of Seatown Electric Plumbing Heating and Air . Consent is not a condition of purchase. Msg & data rates may apply.

Terms & Conditions

1. Words and Phrases

In these conditions: "Services" means the engineering and associated services relating to the Customer's Equipment, as set out in the proposal specified in our quotation, or other agreed documents or discussions between us. "We", "us" and, "our" mean the SeaTown Electric Heating and Air personnel providing Services to you. "You", "your", and “buyer” mean the person or company to which we are providing Services. "Customer's Equipment" means the equipment or material belonging to you, or for which you request us to provide for Services. “COD” means cash on demand, or payment directly after services are delivered.

2. Incorporation of Conditions

a) Any contract or agreement to do work, made between you and us, shall be subject to these conditions, and any terms you put forward do not apply. b) All other terms and conditions which might be implied by conduct, or a previous course of dealing or trade custom, are excluded from this contract. c) No amendment or change shall be made to these conditions

3. Payments and Terms

Payment schedule:

The deposit is due to obtain the requested scheduled dates. The final balance is due upon completion. Progress payments will be needed if a project has extended past scheduled period. (i.e. if the job is 90% complete and we need to return for one day in the future, 90% will be due and 10% will be reserved for the return trip as final payment)

Collections Costs:

Buyer agrees that they shall pay all expenses incurred by the Company for any delinquent accounts, including but not limited to, actual attorney's fees, filing fees, and costs. Any and all disputes arising out of this sale shall be interpreted under the laws of the State of Washington.

Deposit:

50% of the subtotal of the entire job is required to obtain a scheduling date, pulling proper permits, and to hold material. As a customer, you have the right to cancel and receive a full refund of your deposit within 72 hours of accepting the terms of your estimate. A 10% fee of the job subtotal will be applied for any work that is canceled or if requested a refund of the deposit after 72 hours. A handwritten request of refund form provided by SeaTown Electric Plumbing Heating and Air will be mailed to the billable address on file, this form must be filled out and mailed back prior to receiving and refunds of the job deposit.

Progress Payments:

Buyer agrees to pay for progress of work completed for any job completion date over 30 days from our last day worked. The amount is based on the percentage of work completed.

Final Payment:

SeaTown Electric Heating and Air is a COD company. Buyer agrees to pay upon completion of work. NOT UPON COMPLETION OF INSPECTION. SeaTown Electric Heating and Air guarantees inspection to pass; if the inspection fails, we have 15 days to make said corrections, as required by state code.

Liens:

By signing the Whole Agreement with terms and conditions you also agree and acknowledge the notice of intent to lien listed below: This contractor is registered with the State of Washington under registration no. SEATOEH767NZ and has posted with the state a bond or deposit of $12,000 for the purpose of satisfying claims against this contractor for breach of contract, including negligent or improper work in the conduct of the contractor’s business. The expiration date of this contractor’s registration is: August 9, 2026. THIS BOND DEPOSIT MIGHT NOT BE SUFFICENT TO COVER A CLAIM THAT MIGHT ARISE FROM THE WORK DONE UNDER YOUR CONTRACTOR. This bond

or deposit is not for your exclusive use because it covers all work performed by this contractor. The bond or deposit is intended to pay valid claims up to $12,000 that you or other customers, suppliers, subcontractors, or taxing authorities may have. FOR GREATER PROTECTION YOU MAY WITHHOLD A LARGER PERCENTAGE OF YOUR CONTRACT. You may withhold a contractually defined percentage of your construction contract as retainage for a stated period to provide protection to you and help ensure that you or your project will be completed as required by your contract. YOUR PROPERTY MAY BE LIENED If you (the Homeowner) choose to withhold payment for an outstanding balance invoiced past 10 days beyond completion of work. This notice is sent in compliance with the laws of the State of Washington RCW 18.27.11.

4. Inspections

SeaTown Electric Heating and Air is responsible for all work performed per our contract, and in no case are we responsible for work performed by others or existing code violations in the home. Inspections will occur after the install process. If your inspector finds preexisting conditions, code violations, or tampering of any kind. SeaTown Electric Heating and Air will not be held responsible and additional charges will apply for fixes and repairs to appease inspector requests. Labor and Industries require a 72- hour inspection window. It is up to the owner of the property to meet the inspector and allow access to the property. City of Seattle requires 24-hour notice of inspection and the same procedures apply. If for whatever reason the inspector cannot gain access to the property, inspection fees may be applied. That fee is passed on to the homeowner.

5. Notices

Any notice to be given by you or us must be in writing and may be delivered by facsimile or electronic mail. Notices to us should be sent to us at the address stated on our quotation, acknowledgement, or invoice. Any notice given to you will be sent to you at the address supplied at the time of order. You and we are free to provide an alternative address for notices at any time. Facsimile notices will be assumed to have been delivered on the next working day after transmission, and notices sent by first class post will be assumed to have been delivered two working days after they are sent.

6. Warranty

Any work performed will have a 1-year labor warranty. All other work is per estimate basis. Manufacture warranty does not cover labor if labor warranty is past warranty terms.

7. Whole Agreement

This Contract constitutes the entire agreement between us, relating to the Services, and overrides any prior correspondence or statements relating to the Services (including any statements or representations in any advertisements or literature produced by us relating to the Services).

8. Validity

If any provision of this Agreement is ruled to be invalid for any reason, that invalidity will not affect the rest of this Agreement, which will remain valid and enforceable in all respects.

9. Exclusions

Sheetrock repair, painting, mechanical chases, any existing asbestos conditions or any other are not included. Hazardous material, concrete cutting and utility hook up charges and meter sealing are not included. Permit fees will be billed separate as needed. SeaTown Electric Heating and Air, is not responsible for any existing asbestos conditions.

10. Estimate Validation

All estimates provided by SeaTown Electric, Plumbing, Heating and Air are only valid for 7 Days. All estimates that are 8 Days and older are expired and will need to be reviewed before the agreeance of starting the project at initial estimated costs.
