CONTINGENCY	TRAXX PLYWOOD	1/4" X 4' X 4'			20.00 EA
Contingency added in case the underlayment under the vinyl is damaged and needs to be replaced. I've added 20 sheets which is enough to cover the majority of the areas that will receive vinyl. We will only charge for material that is used, so if we only need 4 sheets that's all that will be on the final invoice.
